

The background of the image is a solid light purple color. Overlaid on this are several overlapping circles and semi-circles in a dark, textured purple. These shapes are arranged in a way that creates a sense of depth and movement. A horizontal band of a slightly darker purple color runs across the middle of the image, containing the text 'COMET '68' in a white, serif font.

The Future.*

This year the ninety-two members of FHA were busy planning to become the best of homemakers. They had a Fall Rally, hair styling demonstration, and a style show. Their Homecoming float won first prize. At Christmas they sent cards to boys in the Armed Services overseas. In the spring many of the members spent an exciting weekend at Wylusing State Park.

Under the direction of Mr. Klauer and officers Mikki Bernhardt, John Schmidt, and Debbie Klauer, the band presented an Annual Christmas Concert, Pops Concert, and a Spring Concert. They received a second rating in Class B at the Music Festival.

The Comet Marching Band ended the year on a successful note with a first rating at both the Music Festival and Platteville's Homecoming.

Pictured at the right is the Mass Band Concert; 115 students from Bloomington, Potosi, and Cassville participated.

Sixty-five voices under the direction of Mr. Steven Saunders sang through a successful concert season. All year long the choral group worked hard keeping up with their busy schedule. "Dogpatch, USA" was the scene of their first performance. In addition to participating in Lil Abner, the chorus' performances included the Christmas Concert, Spring Concert, and the Vocal Music Festival which was held at Boscobel. The chorus sang three selections in Class "B" and received a first rating for their performance.

Special Education

Developmental Reading

Mrs. Lane and Mrs. Wehler plan their strategy for the next class.

OBJECTIVES OF THE PROGRAM

To help students to acquire skills in: Word recognition, basic comprehension, vocabulary expansion, critical reading and reading rate, in the areas of assimilation, comprehension, drawing inferences, higher level of critical thinking, main ideas, and the extension of students reading beyond the instructional level in independent reading.

To discover and correct their physical defects; to detect motor relations and coordination related to slow learners; to increase the anxiety to achieve; to increase their school achievement attitudes; to correct emotional disturbances which decrease their lack of confidence. To increase their ability to persist in the face of difficulty.
